MAKTRAK™

Makita MAKTRAK® is a smart storage solution that combines tool boxes and sorting cases with a stacking solution, providing easier access and more efficient loading and unloading into a truck or commercial vehicle.

MAKTRAK® tool boxes safe and always easily accessible. A double-sided hinged lid allows access from both sides without removing the boxes from the stack.

MAKTRAK® sorting cases are designed to keep your workspace tidy and everything you need always at hand.

Special offer valid until 28.11.2025
